1. I want you to enter the realm of the impossible, really. Disengage from that which you think is possible, thought possible in your circumstances with your money, with your time, with your talent. Disengage from the boundaries and limitations that are so heart warming not, but so hard to deal with, so inflexible and un-synergistic. Come and engage in the possible really, the possible of the all-possible, the possible that knows no limits. The possible in Me.
2. Will you come? Will you call? Will you confirm Me, and you? I come, I call, I confirm Me to you so often. I come and I call now and confirm you to walk in the impossible, that which is made possible for Me, by Me, to Me, through Me, to My Mine who have paid a price, paid the price and come into Me to see how possible the thought-impossible is. (laughter) I love you and I give you Me. I give you Me.
3. I give you all of Me. Haven't I said that over and over? I give you all of Me. See Me walk on water, should I restrain you? See Me create, do I restrain you? No. I have given you My model, My pattern, My Me, into Me, into you, walking through you-let Me be. I love you.
4. I give you Stephen, I give you Me. I give you Me, Stephen, I give you all of Me. Mighty am I and many come forth through you and the words I speak through you. The mighty come forth, price paid, meekness sought, diminishing none, elevating all. I love you. I give you Me.
5. I give you Me and I call forth the many, the mighty, the many mighty and the mighty many--Mini not, but many maximized in their potential for Me, their design known, My cup sought, drinking My cup, My royal cup, Me. I love you. Royally, royalty-izing My body I am and I thank you. Letting Me royalty you. Thank you.
6. Now see not the limits that constrain, the possibilities that are so boundary'd and limiting, but see Me. See axe heads float and waters part and circumstances change for only Me; for I come forth in might and power and those who have sought Me, those who have sought Me, those who know Me, those who know Me intimately will walk in power unleashing Me and My love in ways heretofore thought only witchcraft or impossible. But I am not witchcraft. I do not control. I do not manipulate. I lift, I elevate, I heal, I salve, I sit straight, I come and I call and I confirm and I bring My kingdom, I bring My will, despotic not. I reign in freedom, freedom, freedom, freedom alone, freedom in joy and laughter, freedom in the prosperity of true Kingdom living, the abundance that I talked about, that I spoke of in My Word--in my words coming forth more and more, increasingly through you and everyone of you who will let Me.

7. Now see Me and be not afraid. Be not afraid to fail. Be not afraid to make a mistake or say a wrong word. Mature and walk into Me fearlessly and speak Me, speak Me. I will correct, I will connect, I will direct, I will plant, I will uproot and tear down and I will rebuild and I will water and I will nourish. And I say to you this day, there are no limits in Me. You know, you know, you know, Ted, there are no limits in Me and you know that is part of your message.

8. And you know, Stephen, you know Me. You know there are no limits in Me, Stephen. I love you. There are no limits in Me. Be Me, saith Me, I Am. I am coming, now shrink not, shrink not, shrink not from My face, shrink not from My power, shrink not when I start to move and say I cannot handle this for I am not yours to handle.

9. I come in meekness, I come to the drink offering'd, I come to the untainted who will not taint My move. You will not handle Me. Let My light shine. Be Me. Be not afraid of Me. Be not afraid of My power, the authority that I have given, walked in not for centuries but now coming forth. I love you.

10. Please allow Me to be Me. Please allow My New Covenant to come forth through you, in power, in might, and in purity, purity, purity, purity, purity, purity, purity, purity, Ted, purity My young, My old, My who have sought after Me long, purity, power, resurrection power. I come and I call and I confirm all possibility--capital "A", Ted, capital "P" in you, in Me, in My Mine. I love you. (chuckle).

Good Day.

(laughter)
